Legend to Annex

- 1 Building of a former highschool on Treskow-Allee corner of Roemerweg, along the railroad line from Berlin to Strausberg. The building houses SOG offices in contact with offices of the Soviet Zone German Government and thus is the center of the entire communication between the Soviet Occupation Power and German government offices. Located outside the fence, the building is strictly guarded by Soviet Zone German police.
- 2 66 Treskow-Allee is the building of an MVD office which is guarded by Soviet sentries who wear service caps with green ribbon. The street is patrolled by Soviet Zone German police.
- 3 70 Treskow-Allee. The building formerly housed a school and is now occupied by a Soviet office. No guards were observed. A plate with the Russian inscription "Kombinat" is beside the entrance of the building.
- 4 72 Treskow-Allee is the Soviet town kommandatura. The building is guarded by Soviet soldiers and the street is patrolled by German Soviet Zone police.
- 5 A large military drill grounds adjacent to the race track lies in the direction of the arrow.
